Berks Digital Inc. and Dimension Four Marketing Services, Ltd.

proudly announce the joining of business assets under the

Berks Digital Inc. name.

Berks Digital Inc., a company known for digital and offset printing, including large format banners and displays, and Dimension Four Marketing Services, Ltd., a company known for large format printing solutions and specialty products utilizing flatbed UV technology, are pleased to announce the combination of its operations in an agreement between Berks Digital Inc. and Dimension Four Marketing Services Ltd., dated July 16, 2010.

The transaction includes retention of all staff from both companies and will allow customers from both companies to benefit from expanded capabilities and the collaboration of knowledge and experience. Jan Lopuski, the owner of Dimension

Four, has been named the new production manager of the expanded Berks Digital Inc. team. Lopuski brings 13 years experience in the graphics and large format printing field in the management of Dimension Four. “With the expanded staff and equipment, Berks Digital will continue to provide quality products and services with even faster production schedules for our clients” Lopuski said.
